### 17 PARTNERSHIPS FOR THE GOALS

The world today is more interconnected than ever before. Improving access to technology and knowledge is a crucial way to exchange ideas and foster innovation. Additionally, coordinating policies to help developing countries manage their debts, as well as encouraging investment in the least developed countries, is vital for achieving growth and sustainable development.

## 17 - Partnerships for The Goals

The University of Al-Noor organized a friendly visit to congratulate and present bouquets of flowers to Al-Qabas Private College. A distinguished team was formed, led by Professor Dr. Yaseen Taha Al-Hajjar, the university president, along with a selection of university council members. The delegation was received by the dean of the college, Professor Dr. Sabah Ghanem Al-Dabbagh, along with several council members and staff. A special meeting was arranged to exchange dialogue, strengthen communication, and enhance the performance of private universities and colleges in fulfilling their academic mission. At the end of the meeting, the president of the University of Al-Nour presented a bouquet of flowers to the dean of Al-Qabas Private College.
