17 PARTNERSHIPS FOR THE GOALS

The world today is more interconnected than ever before. Improving access to technology and knowledge is a crucial way to exchange ideas and foster innovation. Additionally, coordinating policies to help developing countries manage their debts, as well as encouraging investment in the least developed countries, is vital for achieving growth and sustainable development.

17 - Partnerships for The Goals

The professors of the Translation Department at the College of Arts, University of Al-Noor, strive to provide practical services in facilitating direct dialogues between speakers of different languages worldwide. Among the recent activities of the department, and as part of the cooperation between Al-Noor University and the Louvre Museum in Paris, the department, through Assistant Professor Dr. Haseeb Elias Hadid, took the initiative to provide simultaneous translation from Arabic to French and vice versa for French experts affiliated with the Louvre Museum in Paris.
