17 PARTNERSHIPS FOR THE GOALS

The world today is more interconnected than ever before. Improving access to technology and knowledge is a crucial way to exchange ideas and foster innovation. Additionally, coordinating policies to help developing countries manage their debts, as well as encouraging investment in the least developed countries, is vital for achieving growth and sustainable development.

17 - Partnerships for The Goals

The University of Al-Noor was visited by Professor Dr. Dohaa Bashir Abdullah, Dean of the College of Computer Science and Mathematics at the University of Mosul, who headed an academic delegation from the college. She met with Dr. Bashar Mahmoud Ali, Chairman of the Founding Committee, and extended congratulations to the University of Al-Noor family on the establishment of new colleges and departments. Discussions were held regarding possibilities for academic cooperation, and an agreement was reached to hold a joint international scientific conference in the fields of cybersecurity, cloud computing, computer science, and artificial intelligence.
