## 17 - Partnerships for The Goals

College: College of Pharmacy

### 17 PARTNERSHIPS FOR THE GOALS

The world today is more interconnected than ever before. Improving access to technology and knowledge is a crucial way to exchange ideas and foster innovation.

Additionally, coordinating policies to help developing countries manage their debts, as well as encouraging investment in the least developed countries, is vital for achieving growth and sustainable development.

## 17 - Partnerships for The Goals

The Dean of the College of Pharmacy at Al-Noor University attended a discussion session dedicated to reviewing the research projects of graduate students pursuing their master's degrees for the academic year 2024-2025 at the College of Pharmacy, University of Mosul. The session was held in the presence of the Dean of the College of Pharmacy at the University of Mosul. The discussion addressed the research project objectives and the means to utilize the necessary knowledge and technologies to achieve these goals. Opinions were exchanged, and feedback was provided to improve student performance and overcome obstacles to ensure the best possible outcomes. During the session, the students gave presentations on their research.
