### 16 PEACE, JUSTICE AND STRONG INSTITUTIONS

**Encouraging the establishment of peaceful communities where no one is marginalized is essential for achieving sustainable development. This involves ensuring that everyone has access to justice, building effective and accountable institutions that are inclusive at all levels, and significantly reducing illicit flows of money and weapons. Additionally, it includes enhancing the recovery and return of stolen assets and combating all forms of organized crime.**

The university, in collaboration with the Explosive Ordnance Disposal (EOD) Department in Nineveh, held an awareness lecture session aimed at warning about the dangers of explosives and their impact on civilians. The session was attended by Brigadier General Ahmed Adnan Harjan, Director of the EOD Department in Nineveh, First Lieutenant Zaid Salem Mohammed, Corporal Omar Ghanem Salem, and Biologist Ibrahim Fathallah Ibrahim. At the end of the event, the university president presented the "Al-Noor Shield" to the EOD Department in Nineveh and awarded certificates of appreciation to the lecturers for their efforts in preparing and delivering the lectures.
