4 QUALITY EDUCATION

Access to education can enhance quality of life and prepare future leaders who will find solutions to global challenges. Providing education to children in technical, vocational, and entrepreneurial skills will serve as a foundation for sustainable development through scholarships and educational facilities, as well as eliminating gender disparities in access to education.

His Excellency the Minister of Culture, Tourism, and Antiquities, Professor Dr. Ahmed Fakak Al-Badrani, inaugurated the buildings designated for the Department of Archaeological and Heritage Tourism within the College of Arts, attended by Professor Dr. Yaseen Taha Al-Hajjar, the university president, his assistants, and several deans. The minister toured the department's classrooms and laboratories, which are ready to welcome students, as well as the university library and the conference hall. A meeting was then held in the office of the President of Al-Noor University, during which topics for mutual cooperation between the ministry and the university were discussed.
