4- Quality Education

College: College of Dentistry

Access to education can enhance quality of life and prepare future leaders who will find solutions to global challenges. Providing education to children in technical, vocational, and entrepreneurial skills will serve as a foundation for sustainable development through scholarships and educational facilities, as well as eliminating gender disparities in access to education.

4- Quality Education

The College of Dentistry at Al-Noor University held a training course in the field of dental implants, supervised, managed, and presented by Dr. Bashar Abdul Ghani Al-Najafi, a faculty member at the college.
