11 SUSTAINABLE CITIES AND COMMUNITIES

Cities are hubs for ideas, trade, culture, science, production, social development, and other human activities. They play a crucial role in enabling people to achieve social and economic advancement. It is essential to mobilize support to ensure that policymakers are convinced of the need to include access to information in national and regional development plans.

11 - Sustainable Cities and Communities

The First Al-Noor International Conference for Arabic Narration (Modernism and Postmodernism), organized by Al-Noor University in collaboration with the Union of Ninawa Writers and Authors, was launched in the presence of the Governor of Nineveh, Legal Counsel Abdul Qader Al-Dakhil. The two-day event was attended by a distinguished group of writers and poets from Nineveh and Iraq. Numerous research papers were presented by creative individuals and academic professors representing elite universities in Iraq. The event also featured personal testimonies from prominent figures in the fields of storytelling and novel writing. The conference concluded with the distribution of certificates and shields to the participants.
